You'll never be able to get that amount of money by yourself.
Even though they have a payment plan
It's one of the most expensive places in the city
You're an idiot
It has no meaning if I don't earn the money myself
It's just that
Even though it's a lot of money...
Besides, the wedding bill goes to the Hachi group
Idiot Kuma
In that case,
we'll just have to work hard together.

Yeah!
